Breakfast Chef– Part Time

THE GREYHOUND INN
LETCOMBE REGIS • OXFORDSHIRE

Breakfast Chef: We are looking for an experienced cook (although not necessarily in a commercial environment) who has a good eye for detail and pride in their work. The ideal candidate will be punctual, reliable, hard-working and enthusiastic. Duties include preparation of breakfasts, checking and storing daily deliveries and maintaining the hygiene standard of the kitchen. You will receive on-the-job training to enable you to serve freshly prepared food to a consistently high standard. The job will start at 7am-10am weekdays (or 7:30-10:30 on weekends).

This is a great opportunity to join an exciting venture and be part of a team of passionate staff delivering the best possible customer experience. All food is freshly prepared on site, using quality ingredients from local suppliers.

To apply, please email your cv and a covering letter to jobs@thegreyhoundletcombe.co.uk telling us why you'd like to join our team. We'd love to hear from you.

Part-time: 5 mornings per week, including occasional weekends.
Competitive pay including holiday allowance.
Staff discount on food and drink consumed at the pub.

Letcombe Regis is easily accessible on foot or bike, however a car is an advantage, given the location.
