CHRISTMAS 2024

Celebration Time!

Celebrate with us!

The Greyhound Inn is an 18th century free house in the heart of Letcombe Regis, a pretty downland village near Wantage. With a welcoming wood-burning stove at each end of the dog-friendly bar and a couple of cosy dining rooms, it is the perfect place in which to celebrate this festive season. Whether you pop in for a steaming glass of mulled wine and a mince pie after an invigorating walk on the Ridgeway or settle in for an evening of merriment with superb food and drink, you can be assured of a very warm welcome...
